PROFILE

Digital marketing and social media professional with hands-on experience creating branded social media content, writing copy, designing digital assets and managing website content. Promoted within five months for strong contributions to communications, branding and digital engagement. Pairs creative and content skills with a customer-facing background in contact-centre and teleservices environments, bringing clear communication, audience engagement and strong organisation to fast-paced, deadline-driven teams.

EXPERIENCE

Temporary Clerk, Legal & Administrative Support

Altus Chambers | Sep 2026 – Present

- Provide clerical and administrative support on legal and business matters in a fast-paced, deadline-driven environment.
- Prepare, type, format, scan and organise professional and legal documentation with a high level of accuracy.
- Draft and manage professional correspondence and maintain organised records.
- Handle confidential files and sensitive information with discretion and accuracy.

Communications & Creative Design Specialist

Altus Regional Consulting Solutions | Jan 2026 – Aug 2026

Promoted from Creative Design Coordinator for strong contributions to the firm's communications, branding and digital engagement initiatives.

- Led the creation of social media content, branded communications and marketing collateral that supported firm-wide objectives and elevated brand visibility.
- Wrote and designed on-brand copy and visuals, keeping a consistent brand voice and visual identity across digital and print platforms from concept through execution.
- Managed website content updates and digital platform maintenance, keeping web resources current, on-brand and user-friendly.
- Partnered with internal stakeholders on campaign concepts, aligning communications with brand strategy, organisational values and audience needs.
- Designed and standardised templates and visual tools used across the firm to streamline content production and project delivery.

Creative Design Coordinator

Altus Regional Consulting Solutions | Aug 2025 – Jan 2026

- Produced visual assets, branded materials and promotional graphics for social media and marketing campaigns.
- Coordinated content development and campaign logistics to support audience engagement initiatives.
- Supported document design projects, maintaining visual consistency across client-facing materials.
- Contributed creative solutions that improved organisational visibility and strengthened brand consistency.
